## A NATURALIST'S DESIDERATA SERIES BY KEVIN COOK

Local author and naturalist, Kevin Cook, is well in to his new 2017 series-A Naturalist's Desiderata. Program number five that will take place this month is Grow What Enriches You- From countless sources we learn of nutrients our bodies need, such as vitamins and proteins. But our minds and spirits require nutrients, too, knowledge and beliefs which are nutrients no grocery store or pharmacy can provide. This becomes the naturalists' quest: grow what enriches you. Kevin will speak in the **Activity Room on Friday, May 5th at 2:30 p.m.**

## HATS & HORSES DERBY PARTY

The 143rd running of the \$2 million guaranteed Kentucky Derby will take place on **Saturday, May 3, 2017.** Each year, 20 horses have the once-in-a-lifetime chance to run in the Kentucky Derby. To earn a spot at the starting gate, they must travel along the Road to the Kentucky Derby, a series of 35 designated races at tracks across the country and around the world. Points are awarded to the top four finishers in each race. The 20 horses with the most points will earn
